

National Clinical Terminology Service Document Library Release Note

24 August 2020 v2.22
Approved for external information
Document ID: DH-3287:2020

Summary

EP-3284:2020 NCTS – Document Library v2.37

The National Clinical Terminology Service (NCTS) document library contains documentation and other resources related to the understanding, use and implementation of the products and services provided on the NCTS website. It is updated on an as-needed basis, when new or updated resources become available, or when existing resources need to be withdrawn.

Updated

*Terminology and Classifications
Presentation v2.1*

This version of the presentation contains updates to the section “Maps between SNOMED CT and ICD-10”.
